Abstract
Grand Orient of Italy
Paris 2019

The commitment to edit the present title stems from the need to fill a bibliographic gap: no book in Masonic literature upon the history of Italian Freemasonry has been edited in English up to now. Thus, it aims to cover this lack and to enter those scholars referring to the English idiom into the history of the most eminent Obedience acting in Italy: the Grand Orient of Italy.

The book consists of eight studies, written by young researchers devoted to this topic, and covers a span from the Eighteen\textsuperscript{th} century to the end of the WWII, tracing through a orderly temporal plot the story, the events and pursuits related to the Grand Orient of Italy.
