DUPONT SUMMIT 2012

..... Pressing Issues Amid the Political Maelstrom

December 7, 2012 * Carnegie Institution for Science, Washington, DC
Sponsored by the American Public University and the George Mason University

Panel Speakers

Frank McCluskey, PhD, *George Mason University*
Fred Stielow, PhD, *American Public University*

Topic

“The Digital University and the Future of Higher Education”

During the past decades the introduction of digital technologies has impacted every aspect of higher education. From libraries, to student services, to the creation of the electronic classroom, traditional universities have been challenged to rethink their mission and purpose. This talk will look at the effects of the digital revolution on higher education and make recommendations about how colleges can cope with these changes.
