The Policy Studies Organization, and **American Public University System** invite you to submit a proposal for the upcoming **Sport Management and Esport Conference**, that brings together stakeholders from across the game, including academics, students, industry professionals, athletes, and parents. The two-day inaugural conference will allow for interactive presentations and discussions regarding the present-day trends impacting the Sport and Esport industries.

TRACKS:

- NIL & Amateurism
- Innovation: Technology and AI
- Coaching & Athlete Development
- Other suggestions will be most welcome

TO SUBMIT A PROPOSAL:

Please include a title, abstract, and a 500-word overview. Follow current APA style. Please indicate your intended (1) track and (2) presentation format. Describe interactive elements that will be included in your presentation along with connections to the track and overall impacts for the audience.

Please email your proposal to the PSO Executive Director Daniel Gutierrez at dgutierrez@ipsonet.org. Short videos are also accepted in lieu of a written proposal.

The early deadline for submissions is June 1st, 2024. Proposals will be peer-reviewed.
